### Paint

Thicker than stain, paint provides greater coverage of wood grain, knotholes, and natural color variations to deliver consistent, even coloring and a sleek look ideal for modern designs. With paint, you have exact control over the color of your cabinets.

### Stain

Love the natural look of wood? Our beautiful stains can subtly enhance your cabinets' color, grain texture, and unique characteristics to make the most of what's already there: the warm and earthy tones of solid birch wood.

### Laminate

For a clean look that can withstand even the most active kitchen environments, consider the durability of laminate. Less susceptible to stains and UV-resistant, laminate cabinets allow you to enjoy lasting color that always looks like new.

# Cabinet Construction

Popular looks and storage essentials built for everyday living.

With the latest door styles, design elements, and finish options that fit any budget, Cabinets Express Appeal Series can do more for less.

## All Appeal Series cabinets feature:

- 1. Construction to withstand daily use.** Durable end panels ( $\frac{3}{8}$ " firmly secured with both wood-to-wood glue and staples
- 2. Moisture resistance.** Natural woodgrain laminate interiors help reduce damage from potential spills or condensation
- 3. Strong frames.** Solid wood creates a stable, long-lasting foundation ( $1\frac{1}{2}$ " wide and  $\frac{3}{4}$ " thick)
- 4. Reinforced perimeters.** Engineered wood ( $\frac{1}{4}$ " backing extends all the way to the floor adding strength to rear cabinet corners
- 5. Top-down construction.** Base hangrails, also made from quarter-inch engineered wood, stretch across the cabinet top helping bolster the work surface
- 6. Consistent structure.** Engineered wood I-beams ( $\frac{3}{8}$ ") are dadoed into the side panels to help keep cabinets square and maintain structural integrity
- 7. Dependable storage.** Engineered wood drawers ( $\frac{1}{2}$ ") feature natural woodgrain laminate interiors
- 8. Reliable components.** Self-aligning, side-mounted white drawer guides ( $\frac{3}{4}$ " extension) hold up to 75 pounds
- 9. Additional support.** Locking, solid-hold, under-shelf clips provide ample support; cabinets over 33" in width include support cleats
- 10. Sturdy shelves.**  $\frac{3}{4}$ " engineered wood shelves showcase natural woodgrain and require no shelf paper

## Stylish Hardware

In any room of your home, the hardware is like jewelry for your cabinetry. Choose from a wide range of drawer pulls, knobs and organizers that significantly impact the overall feel, style and functionality of your space.

Durable Standard Construction

## Quality Countertops

## Cabinets Express Warranty

Cabinets Express warrants its products against manufacturing defects in material and workmanship to the original purchaser for as long as they own their home. Proof of purchase is required on all warranty claims.

Cabinets Express will determine if the product is repairable or replaceable at the time a warranty claim is made. Warranty claims do not include any costs associated with the removal of and/or replacement of product. The warranty does not cover misuse, exposure to extreme temperatures/humidity, intentional damage, natural disasters, exposure to harsh chemicals and/or normal wear and tear.
