SHAKER CABINETS

CABINETS EXPRESS

QUICK

No matter the size of your renovation, our large selection of ready-to-assemble cabinets ship quick —**eliminating weeks of lead time** to get your project done in a timely fashion.

EASY

DIY homeowners, house flippers and contractors rejoice—our cabinets come with **simple-to-follow instructions**. If DIY isn't for you, our assembly and delivery options make it even easier to get your home project underway.

AFFORDABLE

Working on a budget? No problem—our wide selection of cabinet door styles, finishes and financing options allow you to create a beautiful custom look at an affordable price.

ENVISION SERIES

Our Envision Series shaker cabinets are a classic favorite that can work with any interior. Our doors are made using 3/4" thick solid hardwood and engineered center panels to perfect Shaker proportions.

Explore our range of colors, ranging from classic white to on-trend grays, darks and rustic finishes. Want to see how it will look in your space? Samples are available upon request at every Cabinets Express showroom!

Cabinet Construction

Our specialist factories have been manufacturing kitchen, bath and office cabinets for over 30 years.

Every detail of the cabinet manufacturing process is refined to engineer-in maximum quality at a surprisingly low price. Envision Series cabinets are constructed from birchwood which is known for its strength in cabinet making. This results in a cabinet which is incredibly robust to withstand the rigors of everyday life with ease.

All Envision Series cabinets feature:

1. **3/4" thick solid hardwood doors and drawer fronts**, with engineered center panel for a quality look and feel.
2. **3/4" solid hardwood frame** for strength and rigidity.
3. **1/2" plywood side panels** covered in color-matched wood veneer for increased strength and moisture resistance.
4. **Extra strong drawer box** with sturdy dove-tail joints and thicker base to take up to 75lbs.
5. **1/2" & 1/4" reinforcing back panel.**
6. **Concealed soft-close under-drawer glide mechanism** gives full extension.
7. **Soft-close, 6-way adjustable, concealed hinges** open to 105 degrees for easy access.
8. **Sturdy 3/4" plywood shelves** wrapped in stain and moisture-resistant wood veneer.
9. **Adjustable locking shelf clips** for internal storage flexibility.
10. **Natural birch veneered interior** with UV clear coating for stain and scratch resistance.
11. **3/8" plywood base** for extra strength.
12. **Color-matched, veneered plywood toe kick** for a neat finish.
13. **Corner block stabilizers and I-Beam** add strength and rigidity.

Stylish Hardware

In any room of your home, the hardware is like jewelry for your cabinetry. Choose from a wide range of drawer pulls, knobs and organizers that significantly impact the overall feel, style and functionality of your space.

for measuring guides
& assembly guides to
kickstart your project.

Assembly

With Cabinets Express Envision Series Cabinetry, the cost savings from shipping a flat pack and performing assembly yourself makes remodeling **remarkably affordable!** However, if you'd rather not assemble your own cabinets, our professional assembly team is available to build them prior to delivery for a small upcharge.

Delivery

Cabinets Express helps keep your project moving faster and easier by offering **affordable delivery services** Monday through Friday. Our professional team brings your countertops, accessories, and cabinet materials directly to your home or business, saving you valuable time and keeping your remodel on schedule.

Installation

Need a professional to install your cabinets or countertops? **Cabinets Express offers cabinetry and countertop installation services.** Let our installation team bring you one step closer to completing your dream room!

Financing Available

Cabinets Express connects you with home project financing approvals that can be easily completed at home or during your design consultation. Make your home remodel dreams a reality with a financing program that features:

- No appraisal required
- Competitive loan rates
- No home equity needed
- Fast & easy online application

Cabinets Express Warranty

Cabinets Express warrants its products against manufacturing defects in material and workmanship to the original purchaser for as long as they own their home. Proof of purchase is required on all warranty claims.

Cabinets Express will determine if the product is repairable or replaceable at the time a warranty claim is made. Warranty claims do not include any costs associated with the removal of and/or replacement of product. The warranty does not cover misuse, exposure to extreme temperatures/humidity, intentional damage, natural disasters, exposure to harsh chemicals and/or normal wear and tear.
