TAILORED SERIES FULL ACCESS & FRAMED CABINETS

CABINETS EXPRESS

QUICK

No matter the size of your renovation, our large selection of ready-to-assemble cabinets ship quick —**eliminating weeks of lead time** to get your project done in a timely fashion.

EASY

DIY homeowners, house flippers and contractors rejoice—our cabinets come with **simple-to-follow instructions**.

If DIY isn't for you, our assembly and delivery options make it even easier to get your home project underway.

AFFORDABLE

Working on a budget? No problem—our wide selection of cabinet door styles, finishes and financing options allow you to create a beautiful custom look at an affordable price.

TAILORED SERIES FULL ACCESS

Our Tailored Series Full Access cabinetry accomplishes an upgraded look and feel with its high-quality boxes, Blum Legra drawer systems, and Hettich soft close hinges. Taking advantage of the full access design of this collection, this

series offers many cabinet accessories and items for increased space efficiency. Spice pullouts, inner drawers and brushed aluminum toe kicks are just a few items that easily provide the ability for creating customized looks - for a truly tailored appearance.

Assembly

With Cabinets Express Tailored Series Cabinetry, the cost savings from shipping a flat pack and performing assembly yourself makes remodeling **remarkably affordable!** However, if you'd rather not assemble your own cabinets, our professional assembly team is available to build them prior to delivery for a small upcharge.

Delivery

Cabinets Express helps keep your project moving faster and easier by offering **affordable delivery services** Monday through Friday. Our professional team brings your countertops, accessories, and cabinet materials directly to your home or business, saving you valuable time and keeping your remodel on schedule.

Installation

Need a professional to install your cabinets or countertops? Cabinets Express can connect you with **trusted professional contractors** to complete the installation process, bringing you one step closer to completing your dream remodel.

Financing Available

Cabinets Express connects you with home project financing approvals that can be easily completed at home or during your design consultation. Make your home remodel dreams a reality with a financing program that features:

- No appraisal required
- Competitive loan rates
- No home equity needed
- Fast & easy online application

Cabinets Express Warranty

Cabinets Express warrants its products against manufacturing defects in material and workmanship to the original purchaser for as long as they own their home. Proof of purchase is required on all warranty claims.

Cabinets Express will determine if the product is repairable or replaceable at the time a warranty claim is made. Warranty claims do not include any costs associated with the removal of and/or replacement of product. The warranty does not cover misuse, exposure to extreme temperatures/humidity, intentional damage, natural disasters, exposure to harsh chemicals and/or normal wear and tear.
